Bethlehem
(1. og 2. Tenor)

Bethlehem Bethlehem.
Look, a star shines over Bethlehem
East and west, all are blessed.

Love has found us as we pray before you
See the love around us, love of Bethlehem

There a stable was the altar table
For the feast, a manger
For the priest, a stranger
Braying cattle for the choir
Singing praised to the new Messiah

Bethlehem, Bethlehem
Look, a star shines over Bethlehem
Fierce and bright burns the light.

By that banner, we shall march till morning
As we sing Hosanna into Bethlehem
