De Banan Boat Song

I’m loadin’ de bananaboat all night long
Daylight come and I wanna go home
Hey, all of the workmen sing this song
Daylight come and I wanna go home

Day, oh, day, oh
Daylight come and I wanna go home
Day, oh, day, oh
Daylight come and I wanna go home

I’m loadin’ de bananaboat all night long
Daylight come and I wanna go home
Hey, all of the women sing this song
Daylight come and I wanna go home

Day, oh, day, oh
Daylight come and I wanna go home
Day, oh, day, oh
Daylight come and I wanna go home
