Marry A Woman Uglier Than You.
(Solo).

If you wan' to be happy an' live a "King Life"
Nevah make a pretty woman yo wife.
If you wan' to be happy an' live a "King Life"
Nevah make a pretty woman yo wife.
All you got to do is jus' what I say
An' you'll be happy, merry an' gay.
So from a logical point of view,
Marry a woman uglier than you.

A pretty woman make her husban' look small,
An' very often cause he down fall.
As soon as she marry then an there she start
To do the things that will ache yo' heart.
Jus' when you think she's belonging to you
She's calling somebody else "doo doo"
So from a logical point of view,
Marry a woman uglier than you.

But if you make an ugly woman yo' wife
You will be happy all of yo' life,
She wouldn't do things in a funny way,
Jus' to give the neighbors something to say,
She wouldn't disregard her husban' at all,
By exhibiting herself to peter an' Paul,
So from a logical point of view,
Marry a woman uglier than you.

An ugly woman give you yo' meals on time,
An try to keep you comfortable in mind.
At night when you lay 'pon yo' cozy bed.
She'll kiss, caress you, an' scratch yo' head.
Not a minute in the night (yo' life) will she leave you alone.
For ev'ry mischief she will atone
So from a logical point of view,
Marry a woman uglier than you.

Jus marry a woman uglier than you.
